

Let's make...

Fruit Cones

You will need:

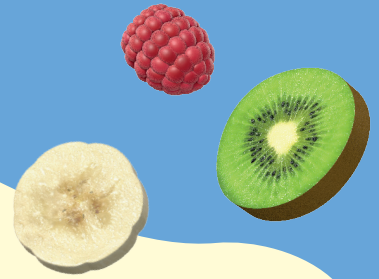

- Cones
- Your favourite fruit
- A bar of chocolate

Please do use caution and your own good judgement about which steps your Bingster can safely be involved in.

Instructions:

- Step 1.** Time to wash our hands!
- Step 2.** Wash and prepare your favourite fruit and put in a bowl.
- Step 3.** Carefully pop the fruit into your cone.
- Step 4.** Break up the bar of chocolate into small pieces. Ask a grown-up to melt it in a metal bowl over a saucepan of hot water. Then pour it into a jug.

- Step 5.** Pour the chocolate sauce over the fruit.
- Step 6.** Time to eat it!
