

The Toothbrushing Song

It's morning time; a brand new day
I ask Flop is it time to play?
Yup he says, just one thing
It's time to brush our teeth. **Ding Ding!**

I brush my teeth two times each day
To keep them nice and clean
In the morning and at bedtime too
And sometimes in between. **Ding Ding!**

In the park, our lunch is packed.
Carrotty bagel and a yummy snack.
What will we do when we get back?
It's time to brush our teeth. **Ding Ding!**

It's Hoppity's turn to brush his teeth
Before his goodnight voosh - vooshhh!
I give him his tooth-voosh
And he brushes every tooth. **Ding Ding!**

I brush my teeth up and I brush my teeth down,
I brush my teeth gently, round and round and round
I brush them on the left and I brush them on the right
I brush them in the morning and I brush them once at night
When I brush my teeth its two minutes every time
I brush my teeth and I sing this little rhyme

I've had my bath, it's bedtime now
There's one more thing to do
I squeeze toothpaste from the tube
Not a lot, a little bit will do.
"Don't need a lot, a little bit will do"
